

# Goats in the Garden Storytelling Resource Sheet Zoom

Kathie Kompass, StoryTeller, kompasshouse@bell.net

## Bookmark Craft

See the attached sheet for goat cut outs

Each child needs a strip of card stock about 11 inches by 3 inches *any colour*

You can use construction paper but sometimes that is very cheap and flimsy. Bristol board is too heavy

. Old file folders work fine.

They each need a goat pattern. I am sending 2. One is a goat head and one a goat silhouette . Print that out but leave the students to do the actual cutting. They can be card stock or construction paper. Any colour

The actual bookmark may be long, or the strip can be folded so that it goes over the page of a book.

The students get to decide.

Eyes can be made with a marker or tiny stickers look very special. They each need scissors and glue

Perhaps put enough supplies in each kit to make 2 bookmarks and they can share one with a friend ( more decision making )

Two mother goats lived in a pen  
*2 thumbs up*  
Each had 4 babies and that made 10  
*Wiggle 4 fingers on each hand*  
These 4 babies were black as night  
*Wiggle fingers on one hand*  
These 4 babies were black and white  
*Wiggle 4 fingers on other hand*

All 8 babies loved to play

*Wiggle all 8 fingers*

They'd run and jump and butt heads all day

*twirl hands , bounce hands up and down Bump fists together*

At night with their mother, They curled in a heap

*Make fists palms up, thumb in*

And they'd bleat and they'd bleat

*wiggle fingers*

'till they fell asleep *Tuck thumbs under fingers*

### **This Little Goat** *Point to each finger in turn*

*Draw circle around the lazy thumb*

### **Old Hiram's Goat**

Old Hiram's goat

Was a feeling fine

He ate three red shirts

Right off of the line

Mrs. Murphy the cook

She dragged him back

and tied him to

the railroad track

Now when that train

Came into sight

That goat grew pale

And green with fright

He bucked and bowed

in Mortal Pain

Coughed up those shirts

And flagged the train
